### Capricorn Convetion Hawaii 2024

Mike, Mark Rowe, Dareen & Kathy Shaw, Allan & Ange Wall & I attended the Capricorn Convention in Honolulu, also joined by the AASDN WA team, it was a fantastic 5 days of networking with our preferred partners and potential new members.

The keynote speaker at the convention, sponsored by Castrol was Mark KcKeon, and he explained the power of delivering clear and concise messages to your staff and tools to assist. I personally took away some key actions just from that session.

We did manage a little free time, the visit to Pearl Harbour and the Ranch, these were real highlights of the week. Mike & I, did get to visit a few workshops and ended up at a NAPA store.

This event only happens once every 2 years, and while we don't know where the next one will be yet, it's really an amazing experience and would encourage more AASDN members to attend.

## Member Renewals

Membership renewals will be sent out this month, please attend to these promptly to make life easier for Craig. :)

Will be contacting as many workshops as they can over the next month to discuss insurance requirements and renewals.

### **Need Finance?**

Consider Capricorn for finance as they do offer great competitive rates and with the end of the Financial Year coming there may be some great equipment deals out there to take advantage of.

## Did you know?

For \$1 per day you can access DDTSB, with your AASDN Membership. We have negotiated a great rate for our members. DDTSB has been heavily featured in current bulletins on such a huge range of makes and models from technicians from around the world. Definately worth looking into.
